

Dear valued client,

I am delighted to announce that I have just moved my practice from the Institute for Restorative Health (IRH) where you have had appointments with me in the past, to the Davis Holistic Health Center! I want to invite you to experience acupuncture care from me in this beautiful center in town.

Please join us in celebration for our open house on January 12, 2012 from 5:30-7:00pm. Drop by anytime during those hours for drinks, hors d'oeuvres, and to celebrate my new location!

Practicing at the Davis Holistic Health Center will provide even more benefits to you as we have a pharmacy stocked with both Chinese herbal medicines as well as the highest quality supplements. You will also benefit from my collaboration with my valued colleague Brian Dempsey, L.Ac, who started the Davis Holistic Health Center 20 years ago. Additionally my new office is accepting more insurance coverage for acupuncture and our fabulous front desk person Terry will be glad to check your benefits for you and if you have coverage my office will do all the paperwork for you.

While my address has changed, I'm still very happy to be practicing here in Davis at the Davis Holistic Health Center! My commitment to you and all my patients is to help in every way I can to manage and reduce your pain and increase your health and vitality.

Call me for an appointment using the information below.

My new contact information is:
